AS always there may be additions or cancellations as the year goes on. We will let you now. If you wish to participate in any events please let mw know. All riders and siblings are invited to the Easter Egg Hunt. I will have information about the camps.

You may have noticed that March is one wicked month for Saturday riders. I apologize. We have never before had a month like this one. You can take a double lesson in February or April or you can choose to ride a weekday during each particular week . We just have to have suitable horses/ponies for you to take a lesson.
